W E L C O M E

Business Women of Fayette and Coweta (BWFC) is a non-profit organization founded in 2009.

BWFC offers support for women in business by providing empowerment through networking, participation and giving back. Core activities include:

- Building awareness of women owned and/or lead businesses both profit and non-profit in Fayette and Coweta counties
- Learning, networking and supporting organization members in a group environment
- Linking with other organizations and individuals in our community to provide opportunities for giving back
